

AbFabParties Party Guidelines

Our party aims to provide a relaxed and friendly environment for all our guests to enjoy. The guidelines are for the benefit of all of the guests of the party and the hosts:

- 1. Be courteous to other guests and hosts at all times. If you wish to join another single, couple, or group always ask permission and please accept gracefully, if declined.*
- 2. Smoking is banned in all indoor areas and is permitted only in the smoking shelter. Fire alarms are fitted in key areas.*
- 3. No mobile phones, PDA's, cameras or videos are allowed in any area of the party. Please leave these in your car (NOT on display) along with any other valuables or ask for a locker at reception.*
- 4. Do not use a mobile phone inside any of the buildings. Please leave them in your car (not on display) or in your coat or bag at reception.*
- 5. Confidentiality and privacy must be respected at all times.*
- 6. We have a zero-tolerance policy for drug use or drug dealers. If anyone is seen or found to be taking drugs, they will be asked to leave the party, they will not be invited back and they may be reported to the Police.*
- 7. No one will be admitted to the party without a Security card or ID. Security cards are strictly non-transferable. Cards can be cancelled at any time at the Host's discretion.*
- 8. The owners/management and/or party hosts will not be held liable or responsible for any loss or injury sustained by any visitor or guest of the party whilst on the premises. In particular, guests use the pool, sauna, hot tubs and dungeon equipment at their own risk. These are unsupervised facilities.*
- 9. Our pool and hot tubs are warm and will dehydrate you, as does alcohol if you have been drinking. Please take special care in these areas, keep hydrated and do not drink to excess.*
- 10. By signing the security application form, potential guests are confirming that they are in good health and fit to use the pool, sauna, hot tubs or dungeon equipment and that they have had a recent medical check to confirm their fitness.*
- 11. The party hosts reserve the right to refuse entry at their sole discretion. Please note that anyone arriving drunk may be refused entry. In addition, anyone consuming excessive alcohol may be asked to leave the party.*
- 12. Please understand that these parties are not for profit. We are running private parties for members of our internet group and any party contributions are used to offset the high running costs and the substantial depreciation to the host's property.*
- 13. Phew! That's it. Have a great time, enjoy yourselves, please tell us if we need to change or improve things and tell your contacts or friends if you had a good time*
